Application deadline: April 30, 2023

The Williams Lake Public Art Committee is accepting applications for funding grants for public art projects.
Funds are available from the following sources:
Downtown Williams Lake BIA – up to \$5,000 for project(s) within the Downtown Williams Lake BIA boundaries
City of Williams Lake – up to \$5,000 for project(s) within the City of Williams Lake boundaries

Application must include the following information:

- A description of the proposed design, including medium, materials and process to be used.
- A draft of the design, in full colour, as a clear and fair representation of the proposed finished work.
- A detailed work plan and projected timeline for the completion of the proposed work.
- Names of, and letters of support from, all other individuals or groups involved in the design, creation or installation of the proposed work.
- The pre-arranged site location for the proposed work, with signed approval and permission of the property owner. Property owners should understand that they will be asked to sign a ten-year contract to display the funded work on their property.
- Photographs of the proposed site, including the surface that the proposed piece will be painted or installed upon.
- A budget of the project, including identification of funding sources. Please indicate if funding has been approved by these sources, or is in application stage.
- A maintenance plan of proposed work.
